CONTENTS

EXECUTIVE OVERVIEW

Indonesia's desirability as a foreign investment target has continuously drive growth in the dynamic emerging market, especially where energy and natural resources sectors become one of the main focus. High-potential industry today come from sectors including Financial Services, Consumer, Light Industry and also Property and Infrastructure.

Nowadays as the new team of emerging market Indonesia are establishing themselves as growing economies and growing sources of talent. High turn over and high recruitment demand and large salary increase is still occurs continuously. Moreover Talent Management is still becoming top priority in most every organisation. Compensation and benefit is always becoming the highlight for many corporation. To make the organisation able to attract and retain talent beside other value proposition.

We in Kelly believe that the solutions to these evolving situations come from our experience of placing half a million people to work every year. We have collated data from

the placements we have done in Indonesia bringing it to you as part of our monthly offering. We have also listed some of the jobs/skills in demand based on our experience in filling them.

The latest salary guide is not a comprehensive survey but a valuable guide from Kelly towards workforce solutions. We can assist you with specific queries you may have in any sector of your interest. We are encouraged by the number of downloads we had last year from our website www.kellyservices.co.id

We hope 2013 Salary Guide of Kelly will serve as an additional tool for your Talent Compensation Planning.

Bernadette Themas
Managing Director
Kelly Services Indonesia

We hope 2013 Salary Guide of Kelly will serve as an additional tool for your Talent Compensation Planning.
